

Basic Info

Model NO.: EY20

Working Pressure: Middle Pressure Pump

Impeller: Open

Size: 500*380*445

Specification: CE.

Impeller Number: Single-Stage Pump

Influent Type of Impeller: Single Suction Pump

Usage: Pump

Trademark: FSH

Product Description

2inch Gasoline water pump Robin Engine EY20 powered

Characteristics:

1. Powered by Rboin 4-stroke air-cooled gasoline engine EY20-3D
2. Aluminum alloy high pressure casting
3. High quality and mechanical sealed equipment
4. Cpmpact structure, light weight, easy operation
5. Easy maintenance

Packing: Stron carton

Brand: FSH or do as clients' requirements

Color: Pantone color code for option

Model	PTG210
Type	Self-priming centrifugal pum
suction*delivery(mm)(inch)	50*50 2*2
Total heah(m)	32m
Suction head (m)	8m
Max delivery volume lpm	1000
Engine model	EY20-3C
Fule tank capacity (L)	3.8
Starting system	Recoil starter
Packing size(L*W*H)mm	500*380*445
20FT unit	330
40FT unit	675
Net weight (KG)	26
