

SC14 MINI SPOT COOLER

The SC14 is a unique and versatile unit allowing ducting to be fitted on both cold air and exhaust air outlets at the same time.

This can allow the unit to be situated inside or outside the area you are looking to cool or heat. With an easy clip on grill you can chose which ever option extremely easy.

It is extremely quiet in operation and it will work easily with 6 metres of ducting off either outlet making the SC14 one of the most popular units in the market place.
